5 reasons you should attend

- Choices is supported by local media – in print and online – ensuring a bigger audience for your brand
 - It is not exclusive to one school or organisation, unlike most careers fairs. You'll reach more students with Choices
 - Choices is held at a central and easy to reach location in the heart of High Wycombe – one of the busiest school regions in Buckinghamshire
 - To attract more students we are running a competition in association with John Lewis for attendees to win a laptop
- Choices is ideal for any business, HE facility, apprenticeship organisation and anyone looking to recruit fresh talent.
